

WINDJAMMER PARK IMPROVEMENTS BEGIN MID-MAY

To complete construction of the Clean Water Facility and make Phase I improvements to Windjammer Park, large portions of the park will be closed mid-May 2018 through late spring 2019. During the closure:

- Waterfront Trail, Lagoon, and ballfields will remain open
- As amenities are completed, sections of the park may reopen early
- Parking lots and City Beach St will be closed
- Parking will remain available on SE Bayshore Dr and SE Pioneer Way
- Special events typically held in the park will be held at other locations (see website for details)

To learn more about summer event locations, the City's other beautiful parks with rental facilities, and park improvements, or for more information, visit www.oakharborcleanwater.org.

New park amenities will include:

- Splash park
- Basketball and pickleball courts
- New kitchen and restrooms
- Improved landscaping and lawn areas
- Public plaza for community events

We appreciate your patience during construction!
